

Columbus Housing Strategy

Developing the housing infrastructure to address our housing shortage and its impacts on our community.

GOAL:

Housing is affordable in Central Ohio.

ACCESS

Affordable options throughout the region

STABILITY

Housing stability that meets families' needs

OPPORTUNITY

Families have opportunities to build wealth

THE COLUMBUS HOUSING STRATEGY

BUILD

Double the number of units built over the next 15 years

- Make residential construction easier
- Diversify the types of housing available
- Support small and medium sized developers and new, innovative building products

PRESERVE

Ensure residents are stably housed.

- Support renters and low-income homeowners to stay housed
- Prevent evictions
- Preserve existing affordable units
- Minimize displacement in changing neighborhoods

THE COLUMBUS HOUSING STRATEGY

INVEST

Fund new affordable housing and support for households that make less than \$50,000/year.

- Fund new affordable housing
- Fund affordable homeownership
- Fund human services and the shelter system.
- Advocate for increased state and federal funding for affordable housing.

THE COLUMBUS HOUSING STRATEGY

INCLUDE

Ensure all our neighborhoods are economically diverse and everyone has access to opportunities.

- Encourage regional solutions
- Implement inclusive housing policies
- Invest in Black homeownership
- Align housing investments with other public investments

Solutions

Affordability by Supply

- We have enough housing
- We have a diversity of age and type of housing
- We have housing near opportunities

Affordability by Design

- Smaller scale housing – ADUs, duplexes, tiny homes
- Innovative manufacturing – modular construction, new materials, prefabrication
- Dense, efficient projects on corridors

Affordability by Subsidy

- Columbus Affordable Housing Bond Packages
- Low Income Housing Tax Credits
- Franklin County Magnet Fund
- On-going rental subsidies
