2. Time for Requests to be Submitted to Secretary of the Council

Matters to be placed on the Agenda for regularly scheduled Wednesday Meetings of the City Council must be submitted to the Secretary of the Council or Council Administrator, Office of the City Council, 4th Floor, City Hall at OTC, with all supporting materials, not later than 12:00 Noon the Thursday preceding a regular

Wednesday meeting. Except for legitimate, verifiable emergency situations, non-adherence to this policy will preclude inclusion on the next Wednesday's Agenda.

3. Method of Item Placement on City Council Regular Meeting Agenda

By request to the Secretary of the Council or the Council Administrator within the deadlines established above, the following individuals shall be permitted to place an item on a City Council Regular Meeting Agenda:

- a. Any Councilor.
- b. Mayor (*or City Attorney on behalf of the Mayor*) for administrative and budget items only.
- c. City Auditor for administrative and budget items only.

- e. An individual's request to speak under "Hearing of Public Comments."

B. Standing Committee Meetings

All standing committee meeting Agendas will be posted no later than 5:00 P.M. on the preceding Friday, or two (2) full working days prior to the committee meeting, whichever is earlier.

All new Agenda items and supporting material for standing committee meetings must be received by the Secretary of the Council, or Council Administrator, by 12:00 noon on the Thursday preceding the committee meeting.

IV. ADOPTION OF PROPOSED ORDINANCES

Governing Charter Principle:

No ordinance shall be adopted until the subject thereof – and not necessarily the printed ordinance *per se* – has appeared on the Council Agenda for two (2) meetings (reference: *Tulsa City Charter*, Article II, Section 8).

A. First Reading

Except as provided in Section B. (*below*), an ordinance must initially appear on an Agenda for consideration by the Council as a First Reading, provided that the subject of the ordinance has not previously appeared on an Agenda of a regular Council Meeting within the preceding ninety (90) calendar days. Any Councilor, or the Mayor (under the restrictions set forth in III.C.) may cause an ordinance to appear on the Agenda of a regular meeting of the Council by submitting a Request for Ordinance Action (Section IV. C, below), and a copy of the proposed ordinance along with appropriate supporting information to the Secretary of the Council or Council Administrator.

An ordinance may be debated, amended, referred for additional review to a Councilor, Council committee, Council Staff, or the Mayor's Office, and/or placed on a future Agenda for a Second Reading by *either* the Council Chair, *or* by motion and affirmative vote of a majority of a quorum of the Council. However, an ordinance shall not be adopted at its First Reading except by a waiver of *both* the Charter and these Council *Rules & Order of Business*; the former requires an affirmative 2/3 vote of the entire membership of the Council, while the latter requires an affirmative vote of a majority of a quorum.

B. Second Reading

An ordinance shall appear on a future Agenda for a Second Reading by the Council, provided that the subject thereof has previously appeared on an Agenda of a regular Council Meeting within the preceding ninety (90) calendar days. Furthermore, it must be placed on an Agenda for a Second Reading by the Council Chair, or by motion and affirmative vote of a majority of a quorum of the Council, or by the Chair or Co-Chairs of the standing committee to which it was assigned for review. An ordinance can be adopted by the Council at its Second Reading by an affirmative vote of a majority of the entire membership of the Council.

If an ordinance fails to be approved by the required vote of the Council, that same ordinance may not be placed on a future Agenda for Council consideration for a period of 90 calendar days following Council action on said ordinance. A "Motion to Reconsider" is an allowable exception to this rule (*reference: Section IX*).

C. Request for Action

1. Ordinances

All proposed ordinances submitted to the City Council for consideration must be accompanied by a completed "Request for Ordinance Action" form which embodies the following information:

- a. Purpose of Legislation
- b. Summary
- c. Cost: (a) Direct; (b) Indirect
- d. Source of Funds
 - (1) Budget Source – current fiscal year
 - (2) Budget Source – succeeding fiscal years (if applicable)

Information for each of the above elements shall be transmitted with the proposed ordinance along with proper attribution as to the information source (*i.e.*, the initials of the individual providing the appropriate information).

If a completed Request for Ordinance Action form does not accompany the proposed ordinance, the ordinance shall not be considered by the full City Council or any of its standing committees.

Additionally, any Councilor may request additional information regarding a proposed ordinance as may be considered appropriate or necessary by said Councilor.

2. Resolutions

All Requests for Action for Resolutions must clearly state the purpose of the resolution.

3. Donations

All requests for acceptance of a donation of goods or services must include all appropriate information. A request for donation of travel expenses must state who is traveling, the destination, the purpose of the travel, the dates of the travel, and, if an in-kind donation, the dollar value of the donation.

D. Emergency Clauses

Absent an unforeseen change in facts or circumstances, the Council shall not pass an emergency clause on an ordinance or resolution, unless the administration or a department specifically requests it. **The request for an emergency clause must be clearly stated on the front page of the Request for Action.** Information detailing the need for the immediate preservation of the public peace, health, welfare, or safety shall be included on or attached to the Request for Action.

V. PUBLIC INPUT, PUBLIC HEARINGS AND PUBLIC COMMENTS

A. Public Input

Public input is allowed on all items except items continued from a previous meeting where public input was received on the item, items listed under First Reading (unless the Council notifies the public it may act on the item), Public Comments (except for the individual who requested the item), or the Mayor's presentation of the Budget (since public input will be received at a future public hearing).

Individuals who wish to speak to the Council on an item that appears on the Council Agenda, whether speaking on their own behalf or on behalf of a group, must sign a request to speak form at the regular Council Meeting, providing Council Staff with their names and addresses, and indicating whether they support or oppose the item (as applicable), *prior* to the Council addressing that item.

B. Public Comments

A citizen who wishes to speak before the Council on an item affecting the City of Tulsa may be permitted to speak under "Public Comments" at the Wednesday night 5:00 p.m. regular Council meeting, provided the following steps are taken: A topic for the "Public Comments" portion of the Agenda must be submitted to the Secretary of the Council either in writing, by fax, Email, or via the Council's website by the citizen wishing to speak thereon, along with all supporting materials, not later than 12:00 Noon the preceding Thursday. The topic should be brief, but specific enough to satisfy posting requirements under state law. The topic should be worded so an ordinary individual may understand what the topic is about (*i.e.* abbreviations, scientific words, etc. should be avoided). The language submitted by the citizen will be reviewed and, if necessary, revised to ensure compliance with Oklahoma Open Meeting Act. The number of citizens permitted to speak under Public Comments shall be limited to nine (9) per meeting with each having a maximum of five (5) minutes to speak. A single submission including more than nine (9) requests to speak shall be invalid. If more than nine (9) persons request to speak, the speakers allowed shall be the nine (9) persons whose submissions were received first by the Secretary of the City Council and the remainder, not exceeding nine (9), shall be permitted to speak under Public Comments at the next available regular Council meeting in the order received.

"Public Comments" is intended to provide the citizens with an opportunity to address the Council on new issues affecting the City of Tulsa and is not intended to provide a forum for commercial, political, or similar topics. A citizen shall be limited to two (2) "Public Comments" items per meeting. A

citizen may not re- submit a request on the same subject matter within 180 days from the preceding request.

The business portion of the Council’s regular meeting shall be concluded immediately after the completion of “Hearing of Appeals.” No action shall be taken on matters raised or discussed during “Public Comments” other than possibly placing such matters on a future regular meeting or standing committee meeting of the Council. The Council may have representatives of the City appear and speak on topics raised during “Public Comments.”

C. Public Hearing Time Limitations

The Chair shall limit the time allowed for speakers in public hearings in accordance with the following:

1. Individuals

Individuals shall be limited to a total of five (5) minutes per meeting; their use of those five (5) minutes shall begin as soon as they have been called upon to speak. Speaking at a public hearing, shall not be counted against an individual’s total of five (5) minutes. Speakers will be called in the order in which they signed up to speak, although they may first be sorted into supporting or opposing the item.

2. Groups of 6 or more

Groups of six (6) or more individuals advocating a similar position on a single item are collectively limited to a total of thirty (30) minutes per meeting. A single representative of a group in favor or opposed to a particular agenda item can use the entire thirty (30) minutes if five (5) individuals signed to speak prior to the representative yield their time to the representative. Speaking at a public hearing shall not be counted against a group’s total of thirty minutes.

3. Zoning Change Requests or Appeal of Administrative action

Zoning Change Requests and Appeals from Administrative Action presentations may, at the discretion of the Chair, be extended up to twenty (20) minutes with up to an additional ten (10) minutes to respond to any comments by interested, opposing parties.

4. Response to Councilors’ questions

Responses to questions from Councilors shall not be considered part of a person's or group's allowed time.

5. Termination of comments by Council Chair

The Council Chair may immediately terminate the comments of any individual speaker on an Agenda item for violation of these *Rules & Order of Business*. In addition, after a warning, the Council Chair, at the Chair's discretion, may preclude the individual speaker from addressing the Council on any other Agenda item at that meeting and/or at the next regular 5:00 PM Council meeting for violation of these rules.

D. Conduct

Individuals and groups addressing the Council must limit their remarks to the specific Agenda topic on which they have signed to speak. Individuals and groups shall always remain courteous and respectful. Any violation of these provisions, as determined by the Council Chair, shall initially result in a warning; should there be any further violation, the Council Chair shall direct the individual, or group, to vacate the podium, forfeit the remainder of the time available to them to address the Council at that particular Council meeting (reference: V.C. 1 & V.C.2, above), and/or the Council Chair may expel the individual or group from the meeting.

A nominee for appointment or reappointment need not appear at this regular City Council meeting, unless requested by a Councilor or Councilors.

VII. OFFICERS

A. Term

The Council will elect a Chair and Vice-Chair at its first meeting on or after the first Monday in December of each year. The Chair and Vice-Chair shall serve until immediately *prior* to the first Council meeting on or after the first Monday in December each year.

B. Method of Election

At least two (2) weeks prior to the first meeting on or after the first Monday in December of each year, any Councilor(s) wanting to be considered for the position of Vice-Chair shall file with the Council Secretary a signed document with their name, council district and stating that they wish to be considered for the position of Vice-Chair. Within one (1) business day of receipt of such notice, the Council Secretary shall notify the Council of the Councilor's desire to be considered for the position of Vice-Chair.

At the first meeting on or after the first Monday in December of each year, the Council Administrator, or Council Attorney, shall preside over said meeting until such time as a new Council Chair shall be elected. Nominations may be

made by any Councilor and received by the Council Administrator, or Council Attorney. Upon the closing of nominations, a roll call vote shall be conducted by Council Administrator, or Council Attorney, who shall record the results. Should no nominee receive a majority vote of the entire Council, the Council Administrator, or Council Attorney, will repeat the roll call vote until a Chair is elected by a majority. A Councilor just having completed a full term as Chair shall not be eligible for election to a consecutive term as Chair.

The duties of the Chair include presiding at the meetings of the Council and performing such other duties as provided in the Amended Charter, by ordinance, or by the Council's *Rules & Order of Business*.

C. Vice-Chair – Term, Method of Election and Duties

Following the election of a Chair, the Council will elect a Vice Chair to serve concurrently with the Chair. Only Councilors who have filed a document with the Council Secretary stating their wish to be considered for the position of Vice-Chair shall be eligible for nomination as Vice-Chair. Otherwise, the nomination and election process shall be the same as was utilized for selection of the Chair. In the absence or disability of the Chair, the Vice Chair will perform the duties of the Chair.

D. Replacement of and Representation by Chair and Vice-Chair

The Chair and Vice Chair serve at the pleasure of the entire membership of the Council and may only be removed by an affirmative vote of a majority of the entire Council.

The Chair and/or Vice Chair may represent the entire Council on a matter of policy only when specifically authorized by action of the Council.

VIII. COMMITTEES: FORMATION, MEMBERSHIP AND METHOD OF REFERRAL

The Council Chair, or the Council by motion and affirmative vote of a majority of a quorum of the Council, may at any regular meeting, establish and appoint members to and name a Chair or Co-Chairs of standing committees, task forces and other duly created advisory committees or subcommittees for the purpose of organizing the work of the Council.

If Co-Chairs of a standing committee or task force are appointed, a Co-Chair shall serve as the presiding committee or task force Chair for one month, ending at the conclusion of the last meeting of the committee or task force for the month. At the conclusion of a Co-Chair's term as presiding Chair, the next Co-Chair shall assume the responsibilities of presiding Chair, unless that Co-Chair defers the responsibilities to a Co-Chair of his/her choosing. The order of rotation for presiding Chair shall be determined

informally by the committee Co-Chairmen; if a rotation is not determined within two weeks after the committee Co-Chairmen are appointed by the Council Chair, then the Council Chair, or the Council by motion and affirmative vote of a majority of a quorum of the Council at a regular meeting of the City Council, shall determine the rotation.

As part of the discussion at regular Council meetings, matters for consideration by standing committees or task forces are to be referred by either (a) the Council Chair, or (b) the Council via motion and affirmative vote of a majority of a Council quorum.

All City Councilors are members of all Council standing committees and task forces. Only City Councilors are official, recognized members of a Council standing committee or task force. Each such entity will have a formally designated and recognized Chair or Co-Chairs who must be City Councilors. The Council may create advisory committees, either by the Chair or Council by motion and affirmative vote of a majority of a Council quorum; an advisory committee may include citizen members. The Chair or Co-Chairs of an advisory committee need not be a City Councilor.

All Council committees, task forces and other duly created advisory committees and subcommittees must post their meetings and any related official gatherings. All postings and meetings must follow the guidelines set forth in Oklahoma's Open Meeting Law even though such committees are purely fact-finding, informational, and recommendatory in nature and therefore, are considered to be exempt from Oklahoma's Open Meeting Law.

All Council committees, task forces and other duly created advisory committees and subcommittees must, in accordance with their posted Agenda: (1) have summary minutes kept by a person so designated which shall be an official record of the proceedings showing all significant matters discussed; (2) note all recommendations advocated and matters considered by the Councilors in attendance; and (3), file summary minutes with the Secretary of the Council.

IX. MANNER OF ACTING

A. Motion

Any member may make a motion. Council action must be in accordance with Article II, Section 6.2 of the Amended Charter.

B. Reconsideration

After the vote on any ordinance, resolution or motion, any Councilor who voted on the prevailing side may move to reconsider the previous action, provided that it is done at the meeting the original vote was taken or at the very next regularly scheduled, 5:00 PM Wednesday meeting of the Council. If seconded, a Motion to Reconsider may be approved by a simple majority of those present.

C. Councilor Ground Rules

Regarding official Council Meetings, a Councilor is expected to abide by the following *without exception*. Councilor ground rules are to be monitored and enforced by each and every Councilor. Any violation of a Ground Rule during a Council Meeting demands the immediate attention of the Council.

1. It is the Chair's responsibility to intercede if issues or proceedings get out of hand.
2. Councilors must inform the Secretary of the Council (orally, in writing, or electronically) when they are leaving a regular Council Meeting should their departure occur prior to adjournment.
3. If a proposed Agenda item affects a particular Council District, the Councilor of that District will be contacted first to see if he/she wishes to sponsor the item.

D. Councilor Norms

At Council Meetings, every Councilor will try to abide by the following guidelines; repeated violations of these guidelines should result in Council action.

1. Councilors and guest speakers will be recognized by their proper formal names. Upon initial acknowledgment, appropriate titles will be used; afterwards, the terms "Mr., Mrs., Miss, or "Ms." may be substituted.
2. Councilor comments must be limited to issues only. There are to be no personal attacks.
3. The Chair recognizes a Councilor to speak.
4. To interrupt another Councilor who has the floor, a Councilor must successfully request the speaker to yield.
5. Councilors must be aware of when they are speaking for themselves and refrain from speaking for other Councilors or the Council as a whole, unless specifically authorized to do so.
6. Councilors must avoid the conscious circumvention of established procedures and protocol. They must follow the adopted rules of the Council.
7. Councilors should be in their seats to vote. When necessary, the Chair will give a Councilor time to get back to his or her seat in order to vote.

X. TRAVEL, MILEAGE REIMBURSEMENT & PARKING POLICY

Any Councilor traveling outside the city on official business on a paid trip paid for by the City of Tulsa shall submit (or cause to have submitted) pertinent information as listed on the City's "Travel Authorization/Advance and Expense Voucher" to a standing committee for its information and review (via a "Councilor Travel Information Form") at its next regularly scheduled committee meeting.

Should the total projected cost of the trip or the projected cumulative annual travel expenses for the Councilor be less than \$500, no further action is required. However, if the total cost of the trip or the projected cumulative annual travel expenses for the Councilor is projected to be \$500 or greater, then pertinent information shall be forwarded to the full Council for consideration and authorization by a majority vote of a quorum of the Council at a regularly scheduled, 5:00 PM, City Council meeting.

Separate from the above travel expenses, a Councilor is eligible for reimbursement of actual mileage incurred in the operation of his/her personal vehicle for official City Council business at the official, adopted City rate. However, only trips outside the city limits of the City of Tulsa qualify for reimbursement. If any Councilor exceeds a cumulative total of \$500 per fiscal year for mileage reimbursement, such requests will be forwarded to a standing committee for its information and review, then to the full Council for consideration and authorization by a majority vote of a quorum of the Council at a regularly scheduled, 5:00 PM City Council meeting.

All Councilors are expected to report back to the Council, orally, or in writing, on their trips so that any education, insight or experience gained can be shared with all interested Councilors.

The City Council shall be completely responsible for and provide all parking for Councilors and Council Staff, including OTC monthly and on-street metered permits.

XI. ANNUAL BUDGET DEVELOPMENT & REVIEW PROCESS

Article II, Sections 7.1 - 7.3 of the Tulsa City Charter outline the City Council's responsibilities regarding the review, amendment and adoption of a budget for the City of Tulsa. As a prelude to this process and for the purpose of providing general guidelines to the Administration and City departments, the City Council shall meet to discuss the budget; the distinct and sole purpose of these meetings shall be the development of a compendium of needs and opportunities for the upcoming fiscal year based on the updated Quality of Life model as well as the collective judgment and perceptions of the City Councilors. This compendium shall be formally adopted by the Council and made available to the Administration in January of each year, or otherwise as soon as possible, marking the commencement of the City's budget development process.

XII. PRINTING & MATERIALS TRANSMITTAL POLICY

A Councilor has the right to have material printed for public purpose without review or approval of its content by the City Council. A mock-up or draft copy of all printed material may, at the discretion of the Council Administrator, be forwarded to a standing Council committee for notification purposes only prior to distribution.

A Councilor has the right to have materials transmitted to constituents for public purpose without review or approval by the Council. A mock-up or draft copy of all large transmissions (defined as 500 or more pieces/contacts) may, at the discretion of the Council Administrator, be forwarded to a standing Council committee for notification purposes only prior to any large materials transmission, if public funds are used.

Any time a Councilor produces print or electronic communications in which his/her personal opinion or policy position is represented (*e.g.*, newsletter, flyers, district web site), a disclaimer shall be included which essentially notes that the opinion or policy position expressed, either directly or indirectly, does not necessarily represent the view or position of the Tulsa City Council or the City of Tulsa.

XIII. COUNCIL CODE OF ETHICS

Members of the City Council, as elected representatives of the citizens of Tulsa, dedicate themselves to the highest ideals of service, honor, professionalism, truth and integrity in all their public and personal relationships and respect the trust and confidence given them by the public and members of city, county, state and federal governments. The prayer should be cognizant of the many faiths in our community and shall not be used as an opportunity to proselytize or advance, or to disparage any faith or belief or the particular tenets or beliefs of individual faiths.

The prayer leader may use the specific name of their god within the prayer, so long as it is not used in a manner to proselytize or advance, or to disparage any faith or belief or the particular tenets or beliefs of individual faiths. If there is no prayer leader available, the Council will observe a moment of silence for prayerful reflection immediately following the pledge of allegiance. The Council reserves the right to review the text of any prayer to be offered.

The Council extends an invitation to all recognized congregations within the City of Tulsa to sponsor their pastor, minister, rabbi, imam, or other faith leader to provide the invitational prayer for the City Council. Scheduling will be coordinated through the Council Administrator or his representative which may include a scheduling coordinator from outside the Council Staff.

Violation of these provisions as determined by the Council Administrator with advice from the Council Attorney may result in the revocation or suspension of the ability of the sponsoring congregation to sponsor prayer leaders.

XXI. Public Recognition Protocol

City Council public recognition is intended to promote the City of Tulsa to its citizens and visitors while also honoring and recognizing Tulsa residents and guests, or entities working in or for the benefit of Tulsa. Public recognition is appropriate for a variety of different purposes, including but not limited to significant anniversaries and milestones; exemplary military service; acts of public service, civic engagement, economic development, public education and awareness, and volunteerism that benefit the City of Tulsa and promote goodwill; and other similar public purposes.

City Council recognition must serve a public purpose and can never have, as its primary objective, the benefit of a private interest or person. Likewise, recognition must benefit the community as a whole and directly relate to the functions of municipal government. City Council recognitions are not intended for matters of political controversy; ideological or religious beliefs or individual convictions; events or organizations with no direct relationship to the City of Tulsa; and campaigns (political or otherwise) or events contrary to City policies, or those that could promote hatred, violence, or racism.

Recognitions are strictly honorary, and they are issued as a courtesy. In addition, they are not legally binding and do not constitute an endorsement by the City of Tulsa, the Tulsa City Council or individual Tulsa City Councilors.

The Public Recognition Working Group (“PRWG”), consisting of 3 councilors, shall be appointed by December 31 of each year by the new chairperson to review these protocols. If protocol amendments are necessary, or City Council budget considerations are required, then the PRWG shall make a report to the full Council no later than January 31.

Council staff will facilitate the creation, design, branding, and procurement of tokens of public recognition that meet the objectives of this policy. Requests for new items, may be submitted to the PRWG who will make a recommendation on the feasibility of each request. Following is an itemized listing of tokens of public recognition and processes that can be utilized for public recognition purposes by the Council and/or Councilors, where applicable.

A. Miscellaneous Promotional Items

Promotional items are items such as pencils, pens, pins, and stickers that the Council can collectively use to promote the City of Tulsa and the Tulsa City Council with individuals, especially when addressing larger gatherings. Promotion of the City and Council can vary based on the event, but generally are used for citizen education, increased utilization of city programs, and increased citizen engagement. Typically, these items will be logoed with the names and/or seals of City of Tulsa and/or Tulsa City Council and have information that those who receive the items can use to learn more about the City of Tulsa or the City Council. Typically, these items would be distributed during large gatherings like parades and town halls, or they could be used for scout troops and youth organizations.

Process:

Council staff will complete an annual inventory to ensure that these miscellaneous promotional items are available for City Council-sponsored events, including Council meetings. Individual Councilors can request miscellaneous promotional items for various events from the Council Administrator or their designee from the available inventoried supply.

B. Certificates of Recognition and/or Achievement

Certificates of Recognition and/or Achievement, which are inclusive of any other similar type of recognition, are honorary documents issued by a City Councilor or the City Council that may be used to honor special events or individuals. These may include but are not limited to conferences; conventions; seminars; professional celebrations; retirements; family reunions; community celebrations; award ceremonies; college graduations; significant birthdays; anniversaries and other achievements.

Process:

Certificates of Recognition and/or Achievement are not automatically renewed and are limited to one (1) recipient per event, per calendar year. Certificates can be requested by City Councilors or outside entities. If requested from an outside entity, the Tulsa City Council and its staff reserves the right to modify or deny any request for a ceremonial document. Outside requests must ultimately be sponsored by a City Councilor. An organization may request only one certificate annually. Requests by entities or individual Councilors should be made no less than 30 days in advance of the date in which the document is needed.

C. Proclamations

Proclamations are ceremonial documents issued by the entire membership of the City Council that recognize, celebrate, and honor extraordinary achievements. They may include but are not limited to the residents of the City of Tulsa, certain organizations' occasions of importance and significance; days that are noteworthy or historically significant; years of City service; and special events.

Process:

Proclamations are not automatically renewed and are limited to one (1) recipient per event, per calendar year. Tulsa City Council and its staff reserves the right to modify or deny any request for a ceremonial document. Proclamations can be requested by a Councilor or an outside entity. An organization may request only one proclamation annually. Ultimately, outside requests must be sponsored by a City Councilor. More than one cause can be proclaimed simultaneously. An organization does not have exclusive rights to the day, week or month of their proclamation. Requests should be made no less than 30 days in advance of the date in which the document is needed.

D. Challenge Coins

A challenge coin is a small ceramic or metallic coin or medallion, typically bearing an emblem or mark of the City Council on one side and the City of Tulsa on the other. Traditionally, coins have been given by the military or units of government to enhance morale, promote the general welfare, recognize a special achievement or contribution to society, or to honor special visitors and guests.

Ceramic challenge coins, which are relatively modestly priced, were originally intended to be available to be given by the Council to encourage youth engagement and honor members of youth service organizations who attend City Council meetings when supporting a portion of the meeting (*e.g.*: performing the pledge of allegiance) or as a requirement in earning a service badge. Going forward, ceramic coins may be excellent tokens of appreciation to present to individuals who have earned an opportunity to be publicly recognized for outstanding achievement or as tokens of goodwill to individuals who are part of larger groups, such as those who are visiting the City of Tulsa in a special capacity or in a cultural or Sister Cities exchange or visit.

Metallic challenge coins, which are much more costly than ceramic coins and have a limited inventory, are intended to be presented to Tulsa residents for exemplary acts of service or achievement, and for distinguished guests, celebrities, and visitors to our City.

Process:

Annually, Councilors will be assigned individual allocations of both types of challenge coins to be distributed according to the standards outlined in this section and these protocols. These coins will be kept under the care of the Council Administrator, or their designee, until requested by a Councilor. Initially, each Councilor will receive an allocation of up to 35 metal coins and up to 50 ceramic coins. Residual, unused coins shall be returned to the Council Administrator or their designee by each December 31 so the PRWG can efficiently budget and plan for the forthcoming year. Future availability of each coin type will be based on the annual, adopted Council budget, current inventory, and Council needs and desires at that time. An inventory of ceramic coins will be kept by Council staff for distribution by the chair and/or other Councilors at regular City Council meetings, if warranted, and will not count toward any individual Councilor's allocation.

E. Council Keys to the City

The Key to the City is a beloved symbol of civic recognition and gratitude and is the highest honor that can be bestowed by the City Council to individuals whose service to the public and common good rises to the highest level of achievement. Keys to the City symbolize the freedom of the recipient, and the desire of the Council for the recipient, to always be allowed to enter and leave as a trusted friend of the City of Tulsa and its citizens. Keys will be presented in a manner that is consistent with the City's overall vision, mission and goals.

Keys to the City are intended to honor:

- A Tulsa resident who has made extraordinary civic contributions to the City of Tulsa or extraordinary accomplishments in the military; or
- A person who has performed an extraordinary act of heroism; or
- A prominent government or military dignitary while visiting Tulsa.

Keys to the City may not be awarded to current employees or current contract employees of the City of Tulsa.

Process:

To request a Council Key, an individual Councilor shall submit the request to the PRWG who shall determine if the request meets the objectives outlined above. If the request meets the objectives, then the Administrator or their designee can release a key to the individual Councilor. Council Staff shall prepare a certificate to accompany each key. If consent is granted, the nominating Councilors should make every attempt to present the Key with great care and with the highest of honors and standards to its recipient. Keys shall be kept and overseen exclusively by the Council Administrator. A listing of Keys awarded shall be kept by the Council Administrator and displayed in a conspicuous place in the City Council office.
